

Sadiq School Snapshots, Summer Camp, Daycare and School Registration

Assalmu alaykum.

As we approach the 100th day of school, we would like to share a few snapshots and invite you to register your child to Sadiq School. Sadiq School's mission is to provide students with the skills and knowledge in an Islamic environment that they will need to succeed in their lives and become active participants in their communities. We have a welcoming and caring environment for our students and look forward to welcoming your child to Sadiq School! Alhamdulillah, our core and Islamic curricula are among the best offered by highly prestigious schools nationwide.

We are open to register for summer camp, summer daycare and academic year 2024-2025. Registration links are provided at the end of this newsletter.

STEM Day Success

Our annual STEAM (Science, Technology, Engineering, Arts, and Mathematics) day was a resounding success. Students had the opportunity to engage in hands-on activities that sparked curiosity and fostered a love for learning.

Reading Fair Celebration

This was a celebration of literacy and the joy of reading. Students showcased their favorite books in creative ways, and honed in their public speaking skills during the event.

Spiritual Growth and Community Service

We combine community service and spiritual growth so our students have the opportunity to align their actions with their values and contribute to the well-being of both themselves and their community. Our students passionately collected and donated food to the local food pantry.

Morning Line-Up and Sacred Prayer Time:

Our daily morning line-up and prayer time are sacred moments where we come together as a school. We instill a love for religion and hone students' leadership skills through these daily practices. Students get to lead others in reciting Ayat ul Kursi, Dua e Faraj, pledge of allegiance and much more.

Social-Emotional Development & Cross-Curricular Connections:

We are dedicated to academic success and the development of strong work ethics and social-emotional skills. Our school culture promotes a balance of inclusivity, kindness, fun, and learning

Open Collaboration and Communication:

Our commitment to open collaboration between parents and teachers is unwavering. The introduction of Sycamore, our new portal, aims to facilitate seamless communication and make it easier for parents to stay involved in their children's education.

Cross-Curricular Activities

Bibi Sakina Daycare

We have a Montessori based daycare for our two and half to four year old students.

We use “Transparent Classroom “ for daily communication with parents.

Extra curricula activities are happening at Sadiq School gym that is open to the community at large.

Summer Daycare

Do you have a child age 2.5 to 4? Consider bringing him/her to Sadiq School daycare during the summer. Hours are as early as 8:00 am and pick up as late as 5:30 pm. You can register your child for entire summer or portion of it. See the registration form for details. To register please click [here](#).

Summer Camp

Do you have a 5-10 years old child? Register her/him to a 5-weeks program of fun and academic enrichment starting July 1 and ending August 2nd summer camp! Hours are 9:00 and to 3:00 pm with before and after school hours options. To register please click [here](#).

Academic year 2024-2025

Sadiq School is now accepting registration for the academic year 2024-2025 for grades Pre-K junior (3 year old), Pre-Kindergarten (4 years old) Kindergarten, 1st- 4th grade. To register please click [here](#).
